<sup>1</sup> The customer has the option to have the validity of the meter and metering verified. If there is a fault in the meter or metering or it fails to meet the general terms of contract or official regulations, no inspection fee will be charged. The fee includes meter replacement and the calibration of the removed meter on a test bench.

<sup>2</sup> Any modification work on the connection will be charged according to the actual costs incurred.

Late payment interest on bills paid after the due date is in accordance with the Interest Act. The effective late payment interest is stated on the bill. Interest and collection fees are charged in connection with the customer's next district heating and district cooling bills. The abovementioned reconnection fee is charged when delivery has been discontinued due to unpaid bills. The collection of unpaid bills will be transferred to a debt collection agency. No value added tax is charged on payment request, disconnection and collection notification fees.
